Developing Language skills with A2 Key for Schools and B1 Preliminary for Schools Vocabulary

When is a vocabulary list more than a vocabulary list? When it's a catalyst for creativity and communication! Besides showcasing a selection of activities that develop students' language knowledge and skills through the creative use of Cambridge vocabulary lists and classroom posters, this webinar also suggests ways of extending and adapting them, ensuring all learners receive the level of challenge and support they need. The session will include ideas and activities for developing vocabulary skills in the face to face classroom and for learning and teaching vocabulary online.
